Dear Madam(s)/Sir(s),

With reference to your application, we are pleased to inform you that the Certification Marks License has been granted to you to use the Standard Mark in respect of the followings:

Product:- Diesel Engines Nox Reduction Agent Aus 32 Part 1 Quality Requirements.

Grade/Class/Type/Variety
Name of the product - Diesel Engines NOx Reduction Agent AUS 32, Part 1 Quality Requirements, Designation AUS 32.

as per **IS 17042 : PART 1:2020**

1. The licence is granted on the explicit condition that you will mark entire/substantial production which conforms to the Indian Standards.

2. The number assigned to this licence is **CM/L- 8400358713** which has been made operative **04-07-2026 and is valid up to 03-07-2031.** The licence number shall invariably be referred to in your future correspondence.

3. The licence is granted on the explicit condition that you shall mark entire production under scope of licence with Standard Mark and maintain conformity to the relevant Indian Standards. Accordingly, you shall cover the entire production under scope of licence with Standard Mark and maintain conformity to the relevant Indian Standards. In addition, you shall display the BIS product certification licence held by you prominently at your premises and also mention the BIS product certification licence held by you in your commercial advertisements.

4. Further, you should cover the entire production under scope of licence with Standard Mark and maintain conformity to the relevant Indian Standards. In addition, you should display the BIS product certification licence prominently at your premises and also mention the BIS product certification licence held by you in your commercial advertisements.

5. According to Sub-Paragraph (1) & (3) of Paragraph 5 of scheme-I of Schedule-II under Bureau of Indian Standards (Conformity Assessment) Regulations, 2018, the annual licence fee of Rs. 1000.00 and the marking fee as notified is payable by you with effect from **04-07-2026** for the period of validity of the licence in advance.

6. Minimum marking fee stipulated Under Scheme-I of BIS (Conformity Assessment) Regulation 2018 is payable by you regardless of the fact whether you actually mark your product or not with the Standard Mark.

7. This advance minimum marking fee will be carried over to the next year on every renewal. The actual marking fee calculated on the unit rate on the production marked or the minimum marking fee, whichever is higher, shall be payable by you at the time of renewal.

8. With a view to streamlining the reporting of quantity marked, calculation and collection of marking fee on the unit rate basis, fees will be calculated on the production marked during the first nine months of operation of the licence at the time of first renewal, and on the production marked during twelve months comprising the last three months of the previous operative year and the first nine months of the current operative year, at the time of the second and subsequent renewals. In case the licence expires, the entire production marked till the expiry date shall be taken into account for calculating the marking fee payable.
